

Workforce Development Grants

I am delighted to inform you that Welwyn Hatfield Borough Council is offering Sports Clubs in Welwyn Hatfield the opportunity to apply for Workforce Development Grants of up to £150 per club.

The aim of the grants is to help upskill your coaching workforce and volunteers during the month of February including Herts Coach Education Week 2018 which takes place between the 10th and 18th of February.

Funding is being made available as part of Hertfordshire's Year of Physical activity 2018 <http://www.sportinherts.org.uk/news/hertfordshire-year-of-physical-activity-2018-21307/> which aims to make Hertfordshire the most active county and is supported by key partners, including health, district councils and voluntary and community sector organisations.

Throughout February, including Herts Coach Education Week, Herts Sports Partnership is offering clubs a comprehensive list of qualifications, courses, workshops and events for a whole variety of different sports. So, whether you're looking for a course in a specific sport or a more generic workshop, please see the full list of what's on offer in date order, by clicking on the links below:
